Trade enquiries

- **For all Wells, Frome, Glastonbury and Shepton Mallet market enquires please email:- neighbourhoodservices@mendip.gov.uk**

To trade at a Mendip market, all stall holders must agree to abide by the Council's market regulations and have at least £5 million public liability insurance cover. Once the Markets Officer is happy that the regulations have and will be fulfilled, the council will issue an Authorisation to Trade. There is the facility for market traders to pay by direct debit and the Council encourages this method of payment.
