Dear Stuart

### **Planned audit fee for 2017/18**

The Local Audit and Accountability Act 2014 provides the framework for local public audit. Under these provisions the Secretary of State for Communities and Local Government delegated some statutory functions from the Audit Commission Act 1998 to Public Sector Audit Appointments Limited (PSAA) on a transitional basis.

PSAA will oversee the Audit Commission's audit contracts for local government bodies until they end in 2018, following the announcement by the Department for Communities and Local Government (DCLG) that it will extend transitional arrangements until 2017/18. PSAA's responsibilities include setting fees, appointing auditors and monitoring the quality of auditors' work. Further information on PSAA and its responsibilities are available on the [PSAA website](#).

From 2018/19 PSAA has been specified by the Secretary of State as an appointing person for principal local government and police bodies, and will make auditor appointments and set fees for bodies that have opted into the national auditor appointment scheme it is developing.

### **Scale fee**

PSAA prescribes that 'scale fees are based on the expectation that audited bodies are able to provide the auditor with complete and materially accurate financial statements, with supporting working papers, within agreed timescales'.

There are no changes to the overall work programme for local government audited bodies for 2017/18, following the recent CIPFA/LASAAC announcement that their planned introduction of the Highways Network Asset Code into the financial reporting requirements for local authorities in 2017/18 will no longer proceed. PSAA have therefore set the 2017/18 scale audit fees at the same level as the scale fees applicable for 2016/17. The Council's scale fee for 2017/18 has been set by PSAA at £49,724.

The audit planning process for 2017/18, including the risk assessment, will continue as the year progresses and fees will be reviewed and updated as necessary as our work progresses.

### **Scope of the audit fee**

Under the provisions of the Local Audit and Accountability Act 2014, the National Audit Office (NAO) is responsible for publishing the statutory Code of Audit Practice and guidance for auditors from April 2015. Audits of the accounts for 2017/18 will be undertaken under this Code, on the basis of the [201718 work-programme and scales of fees](#) set out on

the PSAA website. Further information on the NAO Code and guidance is available on the [NAO website](#).

The scale fee covers:

- our audit of your financial statements;
- our work to reach a conclusion on the economy, efficiency and effectiveness in your use of resources (the value for money conclusion); and
- our work on your whole of government accounts return (if applicable).

PSAA will agree fees for considering objections from the point at which auditors accept an objection as valid, or any special investigations, as a variation to the scale fee.

### **Value for Money conclusion**

The Code requires us to consider whether the Council has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. This is known as the Value for Money (VfM) conclusion.

The NAO issued its guidance for auditors on value for money work in November 2016. The guidance states that for local government bodies, auditors are required to give a conclusion on whether the Council has put proper arrangements in place.

The NAO guidance identifies one single criterion for auditors to evaluate:

*In all significant respects, the audited body had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people.*

### **Certification of grant claims and returns**

At the request of the Department for Work and Pensions, auditors appointed by PSAA will continue to certify local authority claims for housing benefit subsidy for 2017/18.

The Council's indicative fee for this certification work has yet to be set by PSAA. We will write to you to confirm the fee when this has been confirmed.

Assurance engagements for other schemes will be subject to separate arrangements and fees agreed between the grant-paying body, the Council and ourselves.
