Shape Mendip Lottery – 1st Birthday Draw

Voluntary and community groups across Mendip have benefitted from the Shape Mendip Lottery which was established by Mendip District Council and which was officially launched in February 2017 and is celebrating its first birthday.

All players in the draw on Saturday 24th March will be entered into a separate draw for a chance to win one of three family day passes to one of three Fusion Leisure Centres.

The Shape Mendip Lottery gives players the chance to scoop a £25,000 jackpot prize while also helping community organisations to raise funds themselves.

Mendip is one of the first local authorities in the country to run a lottery and the first in the South West.

The Shape Mendip Lottery is an online lottery and draws take place every Saturday. For each £1 ticket bought, 60% of the ticket price goes to support community groups throughout the district, players can also support a specific organisations. No money will go to the council.

Players of the Shape Mendip Lottery choose six numbers. To win the jackpot, the ticket must match both the numbers and the sequence they are drawn in. Players can win smaller prizes if their ticket matches the sequence of the first or last two, three, four or five numbers drawn.

The Birthday draw will take place on Saturday 24th March 2018. Players can buy tickets online by visiting the Shape Mendip lottery website – www.shapemendiplottery.co.uk

Any local community groups and organisations who would like to have the chance to raise funds through the lottery can join by visiting www.shapemendiplottery.co.uk

Do You Have Problems with Official Correspondence ?

In Sedgemoor, which of course includes Highbridge, Cheddar and Wedmore, we saw 3560 clients with 8750 questions in 2016-17.

Helping with their problems gives us a remarkable insight into what is worrying local people.

Many months ago, we realised that although they may be asking about eviction, if they had dealt with their correspondence, it would be much easier to deal with. So we started a research project.

By Spring 2017 we had consulted more than 500 of our clients and this showed us much more about the problem. More than half of those asked told us that they had some issues: some said they had difficulty reading and writing – 12% said that they had been diagnosed as dyslexic; some had difficulties with numbers; in 2017 we are expected to apply for jobs or benefits online, but more than 34% told us that they found this difficult. 7% told us that English is not their first language.

Several of our clients mentioned another factor: that they find it stressful to deal with correspondence – so they put it off, or worse...

So we are campaigning. We hope that people will improve their skills and we have a partner who can help with this.

But Amy Jones, CEO of Citizens Advice Sedgemoor says “ most important is that people who send official correspondence must use Plain English

- Keep sentences short (15 - 20 words)
- Prefer active verbs (80 - 90%)
- Use ‘you’ and ‘we’
- Use words that are appropriate for the reader
- Don’t be afraid to give instructions
- Avoid nominalisations (e.g. we ‘discussed the matter’ is easier to read than ‘We had a discussion about the matter’)
- Use lists where appropriate.”

How are your New Year 2018 resolutions doing?

If you’ve been struggling with keeping up your New Year resolutions, good news: It’s never too late to review and renew! Whether you celebrate it or not, Chinese New Year started on 16th February 2018! Perhaps it’s time to renew your New Year resolutions or even add one or two new ones.

How Are You?

Check on how you are doing on the One You website:

<https://www.nhs.uk/oneyou/hay#jRpfE42uCKe6GZam.97>

How Are You is for over 18s only and is only designed to point you in the right direction. It's not a medical assessment – if you're worried about your health you should speak to a health professional.

Dechox

Perhaps you are eating more chocolate than is healthy for you. Those Christmas sales and now post-Valentine's offers may be tempting, but how about giving up chocolate for a month in a move towards a healthier heart and weight? Check out the British Heart Foundation page for support and advice on dechox: <https://www.bhf.org.uk/dechox/>

MECC training

Whilst we may be looking after our own wellbeing, it is a good idea to get better at supporting others too. It may be difficult to keep up with own commitments to healthier choices, it is much more challenging to start these conversations with others.

If you have a friend, relative, a neighbour, or anyone you come across who may benefit from improving their lifestyles but you are not sure how you can start talking about it, please complete MECC training designed to help you understand when and how to help people change their behaviour, feel better, be happier and live longer. <http://www.makingeverycontactcount.co.uk/training/e-learning/health-education-england-e-learning/>

Mendip District Council's Rural Housing Seminar

We welcome you to join us on the morning of Wednesday 28th March 2018 between 9.30 – 13.00, for an informative and interactive Rural Affordable Housing Seminar being held in the Council Chamber, Mendip District Council Offices, BA4 5BT.

The shortage of affordable homes for local people in rural areas is a significant factor in the decline of rural facilities and services and in the current housing climate affordable housing is more important than ever. As such the Enabling Team at Mendip District Council would like to highlight the importance of partnership working to deliver affordable housing, specifically in rural locations across Mendip.

This event is aimed at Parish Councils, community and rural groups; those who might like to know more about rural housing. We have a variety of speakers on topics ranging from rural development policies to site development, so there should be something for everyone.

Please feel free to distribute this information to relevant colleagues.

We very much hope this will be of interest to you and your colleagues, if possible we would greatly appreciate an indication of whether you may or may not be able to attend, please email Roisin.McDermott@mendip.gov.uk. We look forward to seeing you at the Rural Seminar in March.

All change for Easter collections

There are changes to collections from every home in Mendip because of Easter at the end of March.

Collections that would usually be made on on Easter Friday 30th March will instead take place on Saturday 31st March.

With no collections on Easter Monday 2nd April, all pick-ups that week will be one day later, including Friday's collections on Saturday 7th April.

One day later collections will also take place for the weeks of the Early May Bank Holiday, Monday 7th May, and the Spring Bank Holiday, Monday 28th May.

All collections then resume on usual days. Revised collection days above also apply to assisted, clinical and garden waste collections.

Recycling sites remain on their usual schedules; all are open on Easter Monday and on every bank holiday Monday.

To save money, energy and resources, the priority for waste is to reduce it by buying less or shopping smarter for items that last, then to reuse by selling or donating goods, and only then to recycle materials at the kerbside or recycling site.

For more information, including our severe weather advice, and to subscribe to our regular e-newsletter, see www.somersetwaste.gov.uk

And do check out Somersetwaste on Facebook and Twitter.

Shop at your local market

There are six weekly markets across the Mendip towns run by the council. These markets sell Somerset produce, food and drink, crafts and a range of general items.

- Glastonbury, Magdalene Street – Tuesday 9am to 3pm
- Shepton Mallet, Market Place – Fridays 9am to 2pm
- Wells, Market Place – Wednesdays and Saturdays 9am to 4pm

Shepton Mallet also has a market on the third Sunday of the month from 10am to 3pm – dates for 2018 monthly markets are 18th March, 15th April, 20th May, 17th June, 15th July, 16th September, 21st October, 18th November, December date TBC.

#LitterHeroes assemble: The Great British spring clean

Have you got a potential army of litter heroes in your community? It's time to assemble and join with others for The Great British Spring Clean taking place across the country this March.

Mendip District Council is supporting The Great British Spring Clean campaign being run by Keep Britain Tidy, which runs from Friday 2nd March to Sunday 4th March.

The Great British Spring Clean is a campaign with a simple aim to bring people across the country together to clear up the litter that blights our towns, villages, countryside and beaches.

Keep Britain Tidy is aiming to inspire 500,000 people to get outdoors, get active and help clear up the rubbish that lies around us. The campaign is encouraging a growing army of #LitterHeroes who have had enough of other people's litter and are willing to do something about it.

For more information on how to get involved and organise a community litter pick, sign up on the campaign website: www.keepbritaintidy.org you can also find details of events already taking place in your area.

Should you wish to organise a voluntary litter pick event in Mendip please:

- Set a date
- Set an area for the litter pick
- Complete the online form on www.mendip.gov.uk/litterpicks
- Contact Mendip District Council's contractor 'idverde' who will then confirm that they can provide the necessary equipment and schedule the collection of items.

You can find more information and advice about organising litter picks in Mendip on the council's website www.mendip.gov.uk/litterpicks or contact the council on 0300 303 8588 or email mendip@idverde.co.uk.

Introduction of Public Space Protection Orders.

You may recall that Mendip District Council embarked on a consultation process throughout 2016/17 with town /parish councils , key partners and the public regards one of the new powers within new legislation following the introduction of the Anti-Social behaviour, Crime and Policing Act 2014 to local authorities and Police. This new act provides local authorities and Police a range of tools and powers to address anti- social behaviour and more importantly putting victims first.

The consultation that took place focused on the implementation of Public Space Protection Orders (PSPO) which provides a range of prohibitions to deter anti-social behaviours that has a detrimental effect on the community and individuals who live, work and visit for example these can range from drinking in a public space, dog fouling and litter. As part of the

consultation process we also had a duty to consult with key stakeholders such as the kennel club and Dogs Trust regards dog welfare on any proposed dog related Public Space Protection Order also to address any equality assessments on implementing these orders.

Following extensive consultation and seeking approval through the councils cabinet committee in November 2017 the following Public Space Protection orders were agreed with the intention that this will be monitored throughout the term time of 3 years and consult on any further amendments.

Therefore, the following first Public Space Protection Orders, based on the evidence from the consultation process will focus on all council owned under 5s play areas with the prohibition of No Dogs in these areas, it was agreed by cabinet that further non council play areas may be considered following evaluation of the current orders. The second Public Space Protection Order will cover the entire area of Mendip District and will include No Dog fouling, Failure to stop consuming intoxicating substances (alcohol and drugs), Failure to Surrender intoxicating substance as directed by an authorised officer and Failure to put a dog on a lead as directed by an authorised officer again this was based on evidence from the consultation process.

If there is any breach of the prohibitions stated within the Public Space Protection orders this will carry a £100 fixed penalty or if further to this is may carry a maximum fine via the magistrates court of £1000.these new orders will assist in the Police and Mendip District council to ensure we have a safer, cleaner community to live ,work and visit. The Public space protection orders will be in place for a maximum of 3 years whereby any amendments will be subject to the statutory consultation process. Presently, Mendip district council are reviewing current enforcement policy to support enforcement regards the introduction of the Public Space Protection Order once this has been approved the signage will be installed.

If you have any questions please contact Judi Thompson, Community Safety Officer - Judi.Thompson@mendip.gov.uk or refer to www.mendip.gov for further information.

Making Every Contact Count (at work, at home, in the community)

Living a healthier life can help us avoid poor health and illness. But making changes isn't easy. A new training course is now available to help you understand when and how to help people change their behaviour, feel better, be happier and live longer.

MECC is a key priority for Somerset workplaces, so if you work in a caring role, have regular contact with service users, or are just interested in improving your own health and wellbeing, it is important that you do this eLearning module.

There are also other resources you may find helpful in your day-to-day work. MECC eLearning, which was created by Health Education England, is available through <https://www.e-lfh.org.uk/>. Accessing the module will involve you completing a short, five-minute registration process to verify your email address. The course should then take you just over an hour to complete.

Celebrate business success at the Mendip Business Awards

It's time to celebrate business success in Mendip at the Mendip Business awards, local business owners can enter their business into one of 10 categories to be in with a chance of winning at the fourth annual Mendip Business Awards taking place on Thursday 31st May at the Royal Bath and West Showground.

Supporting homeowners with essential home repairs

The council are taking the opportunity to remind people across the district about their loan scheme for eligible homeowners to fund essential home repairs. The scheme has been developed to keep people warm, safe and dry in their homes.

A variety of works can be considered under the scheme such as roof and thatch repairs, boiler and other heating system replacements or installation, replacing rotten or draughty windows, structural repairs or electrical or plumbing work to name a few. Eligible homeowners can choose their own contractor and there are a variety of loan products available to suit individual needs and means.

Through providing loans, the council are ensuring that funds for homeowners are sustainable meaning that every repayment goes back into the council pot to lend to homeowners into the future. A loan funded by the council could help spread the cost of home repairs but let you enjoy the benefit right away.

The scheme is delivered through Wessex Resolutions CIC, a not-for-profit, Responsible Finance provider in close partnership with the council. The partnership has been running for over ten years across Mendip and has helped a huge variety of homeowners to date.

For more information, call Wessex Resolutions direct on 01823 461099, visit www.wrcic.org.uk or email enquiries@wrcic.org.uk.

Loans have a fixed interest rate and typical 4.2% APR and are subject to status. Missing future payments could affect your credit rating and ability to obtain credit in the future. Wessex Resolutions CIC may insist on loans being protected at the Land Registry by a Title Restriction.

Wessex Resolutions C.I.C.: a community interest company limited by guarantee, registered in England, company number 4512225. Registered address: Heatherton Park Studios, Bradford on Tone, Taunton TA4 1EU. Wessex Loans and Wessex Home Improvement Loans are trading names used by this company. Wessex Resolutions C.I.C is authorised and regulated by the Financial Conduct Authority (675263) for credit and debt-related regulated activities.

Calendar of meetings 2018-2019

Mendip District Council has prepared a draft calendar of its public meetings to be held in 2018/2019. Please contact committee_services@mendip.gov.uk if you wish to have a copy.

It should be noted that this calendar is a draft, and subject to change. However, any changes will be because of the timetable for Council business - it will not be possible to make changes to suit individuals.

The calendar will finally be agreed by annual full council in May 2018.
