

WEEKLY VERSION OF PLAN PUBLISHED ON 25 SEPTEMBER 2019

MENDIP DISTRICT COUNCIL FORWARD PLAN

The Council is required to publish a document which sets out details of planned key decisions at least 28 calendar days before they are due to be taken. This forward plan sets out key decisions to be taken at Cabinet meetings, full Council meetings and meetings of the Phoenix Sponsorship Board. It also includes some matters which are not key decisions, but are included in the interest of transparency.

Regulation 8 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 defines a key decision as an executive decision which is likely:

- (a) to result in the relevant local authority incurring expenditure which is, or the making of savings which are, significant having regard to the relevant local authority's budget for the service or function to which the decision relates; or
- (b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the relevant local authority.

*The Council has decided that the relevant threshold at or above which the decision is significant will be £100,000 for capital /revenue expenditure or savings.

Cabinet meetings, full Council meetings and meetings of the Phoenix Sponsorship Board are held in public in at the Council Offices Shepton Mallet, unless there is a resolution for all or part of the meeting to be held in private in order to consider exempt information/confidential business. Decisions to discuss any items of business in private (whether forming part of a public meeting or not) will be published at least 28 days before the meeting at which they are due to be discussed. This applies whether or not the item to be discussed is a key decision. The Forward Plan will show where this is intended. Agendas and reports for Cabinet meetings, full Council meetings and meetings of the Phoenix Sponsorship Board are also published on the Council's website at least five clear working days before the meeting date.

In addition to key decisions, the forward plan shown below lists other business that is scheduled to be considered during the period of the Plan, which will also include reports for information. The Plan is updated on a weekly basis and the latest version is published on the Council's website usually on a Monday (except where this is a bank holiday). Where possible, the Council, will attempt to keep to the dates shown in the Plan. It is quite likely, however, that some items will need to be rescheduled and new items added as new circumstances come to light. Please ensure therefore that you refer to the most up to date plan.
