

Lending with Heart and Mind

We have worked with Mendip District Council since 2005 to enable homeowners to access financial help to repair their homes.

We understand the expense of maintaining your home and we work with you to take the stress out of funding repairs, improvements or adaptations.

Our knowledgeable team of advisers will guide you through the process of applying for a home improvement loan, and this won't impact your credit score. We will assess your eligibility, talk through how much you could borrow and the loan best suited to your circumstances.
