Subject: NSP resident support for Mendip policy amendment for Local Green Spaces
Date: 12 April 2021 19:33:33

Dear Sir/ Madam,

With reference to the Neighbourhood Plan (NP) for Norton St Philip (NSP), I am writing to give my support to Mendip's plans for amend the development policy for Local Green Spaces (LGS). I understand that this this change will bring LGSs within Mendip into line with national policy, thereby giving them equal status to land designated as Green Belt.

I understand that this change is needed in order for your department to send the NSP NP to referendum, which I believe should take place as soon as possible.

Yours sincerely,

S [REDACTED] Maggs
