

Application for Prior Notification of Agricultural Development

Information Required

Two copies of relevant information is required unless the entire application is submitted through The Planning Portal.

<p>Written Description/Application Form A written description of the proposed development, including details of its size, appearance and an explanation as to why it is reasonably necessary for the purposes of agriculture within the unit. There is no requirement to complete an application form for prior notification of agricultural development although it is recommended to ensure that all of the necessary information is provided.</p>	
<p>Application Fee Please use the Planning Portal Fee Calculator or the Schedule of Fees to determine the appropriate fee. The planning fee can be paid online where an application is submitted through the Planning Portal. Otherwise, the fee can only be paid by cheque or postal order, made payable to Mendip District Council. A reason should be provided if no fee is paid or the application may otherwise be invalidated if it is not clear why no fee is paid.</p>	
<p>Location/Site Plan A plan indicating the site should be submitted. Ideally a plan at a scale of 1:1250 or 1:500 should be submitted to clearly identify the location and position of the proposed development but this is not absolutely necessary. A location/site can be obtained from: http://www.planningportal.gov.uk/planning/applications/plans.</p>
